

## **2.021**

### **Included Mental States --- Knowingly**

If the State is required to prove that the defendant acted "knowingly," that requirement is satisfied if the State proves that the defendant acted "intentionally."

**Source:** A.R.S. § 13-202(C).

---

**NOTE:** The opposite is not true: proof of a less culpable mental state does not establish the more culpable mental state.
